one (1) sheet of legal sized paper (8 1/2" X 14") Notes: Print out this template on Legal Sized paper (8 ½" x 14") Hold your completed sock up to the template and cut out the size that most closely matches it. Lengthen or Shorten the pattern as needed along the Lengthen or Shorten line Trace the pattern onto a rigid surface. We recommend 3mm thick (or thicker) Foamie sheets as they are water resistant but rigid enough to hold the sock You can extend the cuff of the sock to a length that fits your pattern best. Lengthen or Shorten Pattern Here Cut the template out, wet your sock and place it on the blocker. Hang up on a line or lay flat to dry. Copyright 2009
